Class Descriptions

Tap: Tap is a fun and upbeat dance form where students will learn old school steps such as shuffles, flaps, time steps, rhythms & beats with a new school flair.

Ballet: Ballet for ages 2yrs – 9yrs is a "Princess" style of dancing. Students will learn beginner through intermediate levels of ballet technique such as ballet positions, plie', releve', turns & leaps to all of the latest and greatest Disney Princess music.

TUMBLING: Tumbling is incorporated as a dance form of gymnastics which teaches balance and builds muscle strength in arms and legs. Students will learn forward rolls, cartwheels, round offs, front walkovers, back walkovers, back handsprings & back tucks. Tumbling is offered in all ages and students are placed according to level.

Contemporary: Contemporary blends ballet and jazz dance. Contemporary is generally smoother and a bit faster than ballet but not quite as fast as jazz. Students will dance to music with lyrics which serves as the inspiration for movement and expressions.

Hip Hop: Hip Hop includes a large range of hip hop styles, specific to the East and West coasts. In this dance form, students will learn how to express themselves to the high and low beats, song lyrics and rhythm using popular dance steps such as head toss, body rolls and sassy shoulder shakes.

Open Class: Open Class will include jumps, turns, leaps, stretching and more. Teachers will advance all dancers to the next level with movement, choreography and technique. This class is highly recommended for all intermediate and advanced level dancers

WILD CARD CLASS: Each class will be a different style and different guest choreographer to keep things exciting and fun! This class is highly recommended for all dancers that want to get to the next level.
